POLICY

This policy is to provide an appeal process for students who have reason to believe their work/performance was not evaluated fairly. It also provides an appeal process for students who feel they were treated unjustly in relation to student conduct and responsibility issues.

PURPOSE

The purpose of this policy is to ensure the College provides fairness and equity to all students who receive final grades or disciplinary actions.

This policy is developed as per *College and Institute Act Sections: 23 (1) (j); 24 (2) (e); and 37 (2), (3), (4).*

SCOPE

This policy covers all students enrolled in a College course or program, on or off campus, as well as applicants, while engaged in college related activities. This policy does not apply to complaints addressing violations of policies which themselves contain or provide a complaint or appeal procedure including but not limited to residence appeals, transfer credit appeals or appeals related to harassment.

Final Grade: The letter grade, percentage grade or competency grade assigned to a student on completion/end of a course.

Unacceptable Student Conduct: Any conduct that has the effect of disrupting the learning environment or that is a threat, or perceived to be a threat, to the safety of other students, staff, and faculty, whether conducted on or off campus. (See *Student Conduct Policy 2.4.4*, Examples of Unacceptable Student Conduct.)

GUIDELINES

A. STUDENT APPEAL

- A.1 A student dissatisfied with the assessment of their final grade or believes a discipline is undeserved shall follow the procedures set out below¹:

Informal Consultation: Within 5 working days of grade posting or discipline

- Step 1: If the student believes a final grade or discipline is undeserved, the student will initiate a meeting with the decision-maker to discuss his/her concerns. In the case of a final grade appeal, this discussion may include a thorough review of the evaluation for the semester/term to ensure all work was received, included and that the evaluation weighting is calculated correctly.
- Step 2: The decision-maker will review the final grade or the discipline in a timely way. The decision-maker will either agree to make change(s) or provide rationale to the student if the decision stays the same.

Formal Complaint: Within 10 working days of grade posting or discipline

- Step 3: If the student still believes the final grade or discipline is undeserved, he/she will submit a *Formal Student Complaint Form* (Appendix A) to the Dean or Director for review. The Dean/Director reviews the information provided by the student and the decision-maker and provides written rationale to the student and the decision-maker.

Appeal Process: Within 15 working days of grade posting or discipline

¹ Students may consult an education advisor on the appeal process. Refer to Appendix C for Appeal Process Flowchart.

- Step 4: The student may appeal the Dean's/Director's decision by submitting the *Formal Student Complaint Form* (Appendix A) and the *Request for Student Appeal Form* (Appendix B) to the Chair of the Appeal Committee (Vice President Academic).
- Step 5: The Vice President Academic will convene a Student Appeal Committee meeting ideally within fifteen (15) working days of the grade posting or discipline and distribute all the submitted appeal documentation to the Committee members. The Student Appeal Committee will review the circumstances of the appeal and undertake any necessary consultations with the student, decision-maker, Dean/Director and/or other relevant parties.
- Step 6: The Committee will make a decision regarding the final grade or disciplinary action. The Vice President Academic will ensure that all relevant parties are verbally advised of the appeal decision when it is made and are notified in writing within ten (10) working days of the decision.
- A.2 Although maximum timelines are defined, every attempt shall be made to shorten the process. In complex cases, the appeal process may continue beyond these deadlines: however, the review must be initiated within the stated timelines. Unless there is a safety issue, students retain their registered status pending the outcome of the appeal.
- A.3 At each step of the process, timelines may be extended by mutual consent, but should be as timely as possible.
- A.4 A final grade may stay the same, be adjusted downward, or be adjusted upward.
- A.5 Any disciplinary action will be recorded on the official student record for five years (not official transcript).
- A.6 The decision of the Student Appeal Committee is final.
