

Managerial Finance 1 – ACCT 371 Business Management Program

Course Outline

COURSE IMPLEMENTATION DATE: Pre 1998
OUTLINE EFFECTIVE DATE: September 2018
COURSE OUTLINE REVIEW DATE: March 2023

GENERAL COURSE DESCRIPTION:

This course, along with ACCT 372, is an introduction to managerial finance. It focuses on the environment in which financial decisions are made, the analysis required to make financial decisions, and the theoretical framework on which the analysis is based. Topics covered include an introduction to taxation, the Canadian financial system, securities markets, the valuation of securities, capital budgeting, capital structure, the cost of capital, dividend policy, sources of financing, working capital management, international finance, and corporate reorganizations.

Program Information: This course will be of interest to students who wish to pursue a career in business; it is required in the Accounting major of the 2 year Diploma. It is also transferable to professional accounting associations and to various university business degree programs.

ACCT 371 as well as ACCT 372, are required by those students enrolled in the Accounting Major and the Aboriginal Financial Manager's program.

Delivery: This course is delivered face-to-face and online.
