

Practice Education Experience in Home Support, Assisted Living and/or Group Homes - HCA 108
Health Care Assistant Program

Course Outline

COURSE IMPLEMENTATION DATE: September 2009
OUTLINE EFFECTIVE DATE: September 2019
COURSE OUTLINE REVIEW DATE: March 2024

GENERAL COURSE DESCRIPTION:

This practice course provides students with an opportunity to apply knowledge and skills from all other courses with individuals and families in a community setting. Opportunity is provided for students to become more familiar with the role of the HCA within the Home Support Agency, Assisted Living Facility and/or a Group Home, and to gain abilities that prepare graduates for employment in these settings. It is important that students understand the philosophy of community care settings and its emphasis on client choice and independence.

Program Information: This course is one of two practice experiences offered in the second semester of the Health Care Assistant Program. Satisfactory completion of this course is required to obtain the Health Care Assistant Certificate.

Delivery: This course is delivered face-to-face.

COTR Credits: 4

Health Care Assistant Practice Education Experience Student Guide

Please see the instructor's syllabus or check COTR's online text calculator

http://www.cotr.bc.ca/bookstore/cotr_web.asp?IDNumber=164 for a complete list of the currently required textbooks.

LEARNING OUTCOMES:

Upon the successful completion of this course, students will be able to

- provide person-centered care and assistance that recognizes and respects the uniqueness of each individual client;
 - use an informed problem-solving approach to provide care and assistance that promotes the physical, emotional, social, cognitive and spiritual well-being of clients and families;
 - provide care and assistance for clients experiencing complex health challenges;
 - provide care and assistance for clients experiencing cognitive and/or mental health changes;
 - interact with other members of the health care team in ways that contribute to effective working relationships and the achievement of goals;
 - communicate clearly, accurately and in sensitive ways with clients and families within a variety of contexts;
 - provide personal care and assistance in a safe, competent and organized manner;
 - recognize and respond to own self-development, learning and health-enhancement needs; and
 - perform the caregiver role in a reflective, responsible, accountable and professional manner.
-

COURSE TOPICS:

- Integration of Theory into the Community Practice Setting

See instructor's syllabus for the detailed outline of weekly readings, activities and assignments.

EVALUATION AND ASSESSMENT:

Assignments
Students must achieve a pass on each objective noted in the performance evaluation tool for HCA 108 course.
Students are required to complete daily reflective journals.
In addition, students must attend a minimum of 85% of the practice experience in HCA 108 to receive a mark of COM (Pass).

Please see the instructor's syllabus for specific classroom policies related to this course, such as details of evaluation, penalties for late assignments, and use of electronic aids.

EXAM POLICY:

Students must attend all required scheduled exams that make up a final grade at the appointed time and place.

Individual instructors may accommodate for illness or personal crisis. Additional accommodation will not be made unless a written request is sent to and approved by the appropriate Department Head prior to the scheduled exam.

Any student who misses a scheduled exam without approval will be given a grade of "0" for the exam.

COURSE GRADE:

Course grades are assigned as follows:

COM	Completed to defined standard
NCG	No Credit Granted

Students must be successful (COM) in this practice experience to complete the HCA program and receive the HCA certificate.

ACADEMIC POLICIES:

See www.cotr.bc.ca/policies for general college policies related to course activities, including grade appeals, cheating and plagiarism.

COURSE CHANGES:

Information contained in course outlines is correct at the time of publication. Content of the courses is revised on an ongoing basis to ensure relevance to changing educational, employment, and marketing needs. The instructor endeavours to provide notice of changes to students as soon as possible. The instructor reserves the right to add or delete material from courses.
